NATIONAL SEMINAR

ON

Higher Education : Prospects and Challenges

July 7-8, 2015

Ramgarh College, Ramgarh

Sponsored by

VBU Hazaribag

Organised by

RAMGARH COLLEGE, RAMGARH

E-mail : ctnsingh.3000@gmail.com

Ph : 919835162485, 918084785377

BACKGROUND :

The key to harnessing India's demographic dividend is education. Indian higher education currently the third largest in the world, is likely to surpass the US in the next five years and China in the next 15 years to be the largest system of higher education in the world. Indian higher education has a complex structure riddled with many contradictions, still it has great possibilities

Sub - theme of the seminar :

1. By 2030, India will be amongst the youngest nations of the world. With nearly 140 million people in the college - going age group we have to prepare for their education.
2. Designing programmes and implementing them.
3. Role of private university
4. Need of institutions of medicine, science, technology.
5. Further Elements to ponder upon: Growth of higher education, financial concerns, quality of faculty, research facilities, relevant curriculum infrastructure, academic quality, best practices, concerns of stake holders, accreditation and assessment, employable workforce, autonomy, regulatory hurdles, demographic dividends, non profit institutes etc.

ABOUT THE COLLEGE

Ramgarh college Ramgarh was established in March 1963. The college was registered under

section 2 (J) of UGC Act. The college became a constituent unit of Ranchi University and thereafter of Vinoba Bhave University, Hazaribag from 17.09.92.
